FEA Online Data Collection!

Visit: http://www.futureeducatorsalaska.org/data/

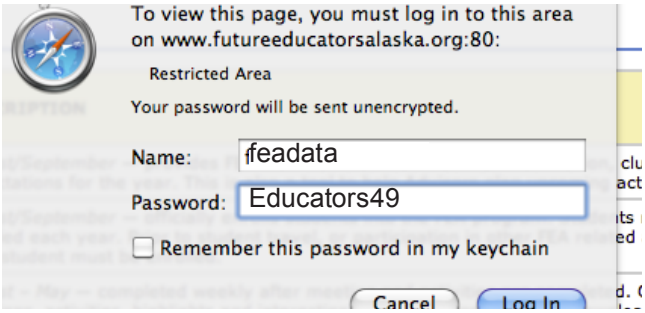
Online Reporting for Club Advisors and District Coordinators: All FEA clubs are required to complete monthly and yearly data reporting. This data is crucial to statewide staff to manage and plan the progress of the FEA program. Data is used to track students, address issues and identify successful strategies

FEA Data Collection

1 >> Visit the FEA Data Site

Type the FEA data site into your browser
http://www.futureeducatorsalaska.org/data/

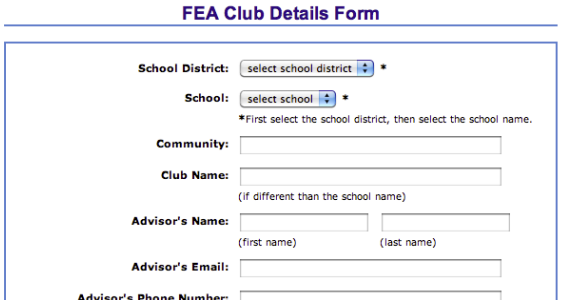
You will be prompted for login passcodes:
Name: feadata
Password: Educators49



2 >> Club Details Form

Start of Year - August

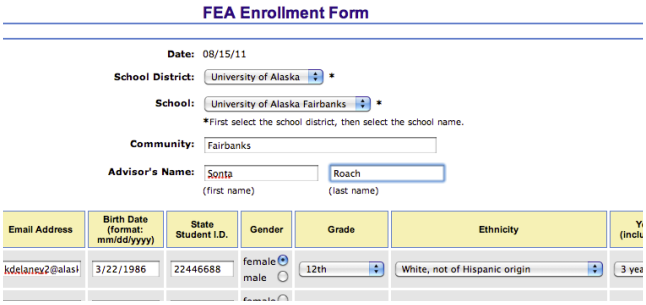
Provides ***FEA staff with club and school contact information, club details and expectations for the year.*** This is also a tool to help Advisors plan upcoming activities and map goals for the club.



3 >> Student Enrollment Form

Start of Year - August

Complete the Student Enrollment form at the beginning of the year to officially start a club. ***Please note, All students must be enrolled to participate in FEA events.*** Students must be re-enrolled each year they are involved in FEA.



4 >> Club Activity Report

Throughout the Year - Monthly

Captures club meetings, activities, highlights and servers to communicate issues and challenges to FEA Staff***. Some clubs appoint a Club Reporter to complete these during the meeting.*** Viewing and downloading other's reports is a good way to connection with other clubs.
